

Happy Go Lucky Live

March 12th 2022

Show Hall opens at 7:00am and show starts at 8:00am

Location: Monroe County Fairgrounds - Fine Arts Building

4177 State Route 156

Waterloo, IL 62298

Entries

Entrants will be accepted on a first paid, first served basis. In the event that the max entrant number is reached, a waitlist will be started in case of cancellations. Entrants can show up to three models per class. Additional models can be shown for a fee of \$1 per model. Open entry fee is \$55 for one table. For now, only full tables may be purchased to help keep people separated. Tables will be at least 6ft long, with the majority of the tables being 8ft long. Please bring table covers for your table as many will be wooden. Lunch will be provided for an extra fee of \$5 (menu coming soon), however, we will be taking a lunch break to allow those who opt out of lunch to leave to get lunch and for everyone else to eat. Lunch will be provided for free to all judges. Proxy showers are welcome and are charged \$3 per horse with a max of 15 horses. It is the responsibility of the Proxy shower to let the show holder know that you are a proxy so they do not leave a space for you.

Tags/Showing

Every model must have a tag with Breed and Gender on one side and horses name and shower initials on the other side. Tags should be placed with the breed/gender side up or the model may not be judged.

Models prone to falling may be shown laying down on a protective cover. Doing that will give the judge (and only the judge) permission to pick up your model to examine the other side. Documentation of rare breeds/colors is encouraged, however, please be mindful of the amount of table space you use and limit the size of your documentation to one 8.5" x 11" page. Classes may be split at the discretion of the judge or show holder. Please refer to the NAN breed cross reference list if you are unsure of where to show a model. Judges have a right to decide where certain breeds will show on the day of the show.

This show is judged for both breed and collectability/workmanship. Please include collectability information for any model you wish to be considered for collectability. Judges will be instructed to only judge models with documentation in collectability. All models will be judged in breed regardless of documentation. Customs and artist resins will be judged in breed and workmanship and do not need additional documentation for workmanship.

Awards

Flat ribbons will be awarded to first through sixth place for both breed and collectability/workmanship in each class. Sectional champions and reserves will receive double layered flat ribbons and overall champions and reserves will receive rosettes and a NIB Breyer model. Other prizes will be announced through social media and on the website so keep checking in to see additional prizes as well as raffle items. We have applied for NAN qualification so first and second place models may be eligible to receive NAN cards in both breed and collectability/workmanship.
